

## Cognitive bias in biometric and forensic identification

Professor Tim Valentine  
Goldsmiths, University of London.

Presentation to the Biometrics and Forensics Working Group  
24<sup>th</sup> June 2010, National Policing Improvement Agency, London.

For a review of confirmation bias see: Nickerson, R.S. (1998). Confirmation Bias: A ubiquitous phenomenon in many guises. *Psychological Review*, 2, 175-220
